7.2 Best Practices

1. Title of the Practice No.1: Student's Research Conference

2. Objectives of the Practice

- a. To make students aware of research methods and practices
- b. To develop scientific temperament among students
- c. To encourage students for research publications

3. The context

The Research Centre of our college organizes Students' Research Conference to inculcate research culture among students. Since its inception from the year 2013-2014, responses are increasing every year.

4. The Practice

Pan India conference organised every year

5. Evidence of Success

Students develop research attitude and critical thinking with understanding of various statistical tools and techniques. They upgrade their communication, presentation skills with confidence and also learn solutions to solve the problems under the able guidance of research mentors.

6. Problems Encountered and Resources Required

The students from various vernacular backgrounds find it difficult to engage in research activities. Principal, teachers and research guides encourage students to improve research skills.

7.2 Best Practices

1. Title of the Practice No.2:

Vidyotejak- Mobile Distribution for Economically deprived students during Pandemic

2. Objectives of the Practice

To enable students to attend the lectures online during covid-19 pandemic situation

3. The context

KES Management provided mobile phones during the pandemic to the economically weak students which enabled them to attend online lectures and inclusive education under 'Vidyotejak Scheme'.

4. The Practice

Class teachers identified economically weak students who were not able to attend online lectures due to unavailability of supportive devices. 21 eligible students benefited with a preloaded one year Jio data pack costing Rs. 2,17,000/-

- Beneficiaries are as follows
- B. Com: 15
- B.A: 04
- Self Finance: 02

5. Evidence of Success:

This scheme enabled 21 students to avail the facility of smartphones and they were able to get regular education without wasting a year during the pandemic.

6. Problems Encountered and Resources Required (30)

It was difficult to identify genuine and economically deprived students online to provide this scheme.
