In a discussion organized, managed and moderated entirely by the students to mark the occasion of 20<sup>th</sup> August as the National Radio Day, various KES Instagram pages like 'kessc talent' and various department pages like BMS, BIM, BBI, BAF took part. The live session was not only attended by the college students but also by outsiders. Other than a sombre discussion on the pandemic, the students also shared their views on whether India was becoming intolerant. This was followed by a Bollywood songs quiz to lighten the mood where the participants had to guess the movie by listening to the song. Students also did comedy, sang, and took recommendations from the audience to dedicate the songs to their loved ones – just like on radio.

**Posters**

It's not how much we give but how much love we put into giving.

BEFORE PANDAMIC 😊

DURING PANDAMIC 😷

NOTHING CAN STOP TO BRING SMILE ON ONE'S FACE  
"JOY OF GIVING"

*Helping one person might not change  
the whole world,  
but it could change the world for one person.*

किसी को खुश करने का  
सोना सिर्फ़ दो छोटका सा  
दो पैसे होते ही होते हैं, जो किसी  
के चेहरे पर मुस्कान ला पाते हैं।

*"It's not how  
much we give  
but how  
much love we  
put into  
giving"*

GIVING IS THE GREATEST ACT OF  
GRACE

**celebrating  
charity day this  
5th of september**

LET IT BE PANDEMICS OR  
FLOODS, NOTHING CAN SHATTER  
HUMANITY

YOUR GREATNESS IS WHAT YOU  
GIVE BUT WHAT YOU HAVE

**YOUR SMALL ACT OF DONATION CAN  
CHANGE SOMEONE'S LIFE  
BRING A SMILE TO OTHER'S FACE**

select JOY in what you GIVE  
and not in what you GET

# JOY of giving

the joy of love  
is your strength

It is not joy  
that makes us

GRATEFUL,

it is gratitude  
that makes us

JOYFUL.

for it is in giving,  
than in receiving.

In India, there are many social reformers who change the thought of people. They struggled a lot with the revolution of India. Here some of the social reformers who had given a precious contribution to the nation. Savitribai Phule, Ishwar Chandra Vidyasagar, Baba Amte, Dr. B. R. Ambedkar, Jawaharlal Nehru, Mother Teresa, Swami Dayananda Saraswati, Swami Vivekananda, Mohandas Karamchand Gandhi, Ram Mohan Roy, and many other social reformers who had sacrificed their life for our nation, about whom we had studied in our history of India.

A social reformer person is who having the qualities of mankind and humanity, they are person who love their nation and wants to do betterment for other people whom they consider their own.

Here I'm gonna write something about Savitribai Phule. She was born on 3rd January 1831. She is regarded as the first women teacher of India. Along with her husband, Jyotirao Phule, she played an important role in improving women's rights in India. At first, she is also a woman with no education, her husband use to teach her at home and after completion of her education, she started teaching girls. People's use to throw stones on her, dung and verbal abuse, but she use to be strong and patiently deal with others. Now you can see because of Savitribai Phule and Jyotirao Phule, we girls and many women's are getting educated.

Hats off to our social reformer who had sacrificed their lives for our nation. We salute them and they are always alive in every Indians.

## SOCIAL REFORMERS

We all know India had fought for independence for rights and for people who fought for us were the individuals like us now they are known as reformers. A social reformer is anyone who advocates for reform of a certain part of a society. During the British Rule there were reformers who fought against human rights & abandonment of child labour, dowry - etc. and still there are some individuals who are making change in our India for our betterment and progress. Many of us have obviously read articles on social reformers like Mahatma Gandhi & Pandit Jawaharlal Nehru but very few people know about Raja Ram Mohan Ray, Jyotiba Phule, Shantha Sinha. All of the social reformers started their lives for a revolution, they made a positive change because of their ideas and to write this article if you can read.

### MAJOR SOCIAL REFORMERS IN INDIA:

**B.R. AMBEDKAR** - Dr. B.R. Ambedkar popularly known as Babasaheb Ambedkar, was one of the architects of the Indian Constitution. He was a well-known politician. Ambedkar's efforts to eradicate the social evils like untouchability and caste restrictions were remarkable.

**RAJA RAM MOHAN RAY** - Raja Ram Mohan Ray is considered as the pioneer of Modern Indian Reformation for the reformer's reform he brought in the 18<sup>th</sup> century. He brought abolition of Sati - Practice in which the widows were compelled to sacrifice ~~themselves~~ themselves on the funeral pyre of their husbands.

While there is a lot of involvement of people with political and economic issues, focus of social reform are largely neglected. However, the fact remains that social reform holds the key not only for reducing distress but also for changing personal and community/whole life in ways that can provide conducive conditions for a constructive and positive approach to life, unleashing creativity and improving the world.

It is strange that while social reform can contribute so much it has been increasingly pushed to the margins.

Even when social reform is taken up in some ways, often the more basic issues are neglected.

Before independence, India had a rich record of social reform. We had some towering social reformers like Raja Ram Mohan Ray and B.R. Ambedkar/Jawahar Vardananda integrated spirituality with social reform.

Above all, the freedom movement was so intertwined with social reform that those who picketed liquor shops were regarded as much as freedom fighters as those who participated in rallies for the demanding freedom from colonial rule.

Given this rich tradition of social reform it is really sad, and very harmful, that social reform has suffered from increasing neglect in India. It is high time this neglect ends and properly prioritized social reforms again get much-needed and much-deserved importance in the nation's overall agenda. The present-day difficult and sad times may perhaps provide some exceptional opportunities for taking forward social reform in priority.

### EVOLUTION OF SOCIAL WORK

Social service based on humanitarian ground is an age old phenomenon for India and for world. We could see it from the historical perspective throughout the ages. Age old ethics across the religions taught the whole world the lessons of life, service to mankind and compassion for the poor and disadvantaged. Since the ancient times the social fabric of the society has changed immensely, the simple and uncomplicated societies are now changed into complex and complicated ones. The complexity of the society has given the rise to many personal and social problems which in turn create social service activities or to organized social work profession. Undoubtedly social work in India is an older subject but recent during British colonial period only it has made a significant contribution in the country in a very short period of time.
