A workshop on 'Argumentation and Case building' was organised on 25/10/21 by Mr. Claver DCosta, Trainer at SpeakWell Academy. This was aimed at improving Argumentation and Public Speaking skills of our students. With a focus on Asian Parliamentary debate format the students were oriented about the structure of an argument, how to support a claim with facts and evidences. Students were also informed about the various types of flawed argumentation such as Ad Hominem, Strawman etc. Certain tips for public speech delivery were also given.

12 students benefitted from the session.

A mock debate was also conducted to make students practice the concepts taught during the session.
