Brief Report of the Event

Refuel – MS Office was a 2-week student development programme organised by Department of Humanities for BA students.

The programme was set out as an opportunity for students to revisit the concepts of MS Word, Excel & PowerPoint and help them to carry their routine online works smarter, faster and better. It commenced on 26th July 2021 covering topics such as MS Word, PPT, Excel, Canva, google forms, video editing, Plagiarism detection & avoidance with faculty from out IT Dept in capacity as resource persons.

Through the 2 weeks, students were given a hands-on experience as part of the interactive workshop. The programme which was completed by about 100 students received lot of positive feedback and requests for conducting many more on similar lines.

REPORT: - DATA VISUALIZATION

During graduation students are required to submit varieties of assignments for internal or external evaluation. This workshop will train the students in completing these assignments and presenting the data more effectively. Here they will learn which one is the appropriate diagram from a different set of data diagrams.

Data visualization is an illustration of data in graphical format such as charts, graphs, and maps etc. It is used to view and understand trends, outliers, and patterns in data.

Different tools that can be used for Data Visualization are QlikView, Microsoft Power BI, Data wrapper, Plotly, Microsoft Excel etc. Microsoft Excel is a Data Visualization tool- user friendly interface. We can visualize the data in different ways in Excel, it provides a relationship and comparison between two or more data sets. Different ways of visualizing the data in Excel is carried out by using scatter plots. It is used for purposes of market research or financial planning by analysing statistical, scientific, medical, and economic data.

Microsoft Excel, Microsoft Office suite of products, is powerful data visualization and analysis software, which uses spreadsheets to store, organize, and track data sets with formulas and functions. Excel is used by marketers, accountants, data analysts, and other professionals. An efficacious Excel spreadsheet will organize raw data into a readable format that makes it easier to extract actionable insights. Better analysis means better data products and Excel is a tool for data analytics. The objective and Outcomes of the workshop is

🎯 **Objective:** - To train the students: 'How to use MS-Excel for Data Visualization'

Outcome: - Students will be able to use MS- Excel for Data Visualization

In all 63 students attended the workshop, of which 20 were male and 43 were Female. Dr Sanjay Mishra had conducted the workshop for students.

Library: The Learning Resource Centre organised series of training programme on Knimbus E-library Portal for students on Zoom platform from January to April 2022 at 02:30 pm. Total 111 students attended training programme. Ms. Swara Manduskar, Mr. Venkatesh V. & Mr. Aakash from Knimbus Online Pvt. Ltd. conducted the training sessions. Training on 'EPWRF Database Access' was also conducted along with Knimbus training on 7th March. Dr. Bipin Deokar conducted the session.

Objectives of the Activity:

- To create awareness among students about the e-library portal.
- To increase the usage of library e-resources.

Report of the Event

Date: 12th August 2021

Time: 9:00 am – 12:30 pm

Total Participants: 189

Male: 58

Female: 131

Library - The Learning Resource centre celebrated Librarian's Day to commemorate 129th Birth anniversary of Dr. S. R. Ranganathan (Father of Library Science) by organizing online training programme on 'Effective Utilization of J-Gate plus for Research While off-Campus' and 'How to access Pearson e-Library' on 12th August 2020. The training was conducted in two slots on Zoom platform for Self-finance and regular BA, BCom students separately. Mr. Mayank Dedhia, Training & Business Development Manager from J-Gate Plus and Mr. Suryakumar Kunisetty, Manager - Account Relationship from Pearson India Education Services Pvt. Ltd. were invited as speakers. The event began with Prayer. Dr. Alka Wadhvana, Librarian welcomed the resource persons and all participants. The reason for celebrating Librarian's day on 12th August was made known to the participants by playing a short Video on biography of Dr. S. R. Raganathan popularly known as the father of library science.

Session 1. Mr. Mayank Dedhia started training with the brief introduction about J-gate database. He gave detailed information about how to create an account in J-Gate, access database, search articles, save the selected articles, share the saved articles with others, generate E-mail alerts and RSS feed to get updates about the topics of researcher's interest. The session was followed by question answer. He answered all questions.

Session 2. Mr. Suryakumar Kunistetty, Manager-Account Relationship, explained in detail how to access e-books published by Pearson e-Library in two different formats. He made the session interactive by involving the participants, generated the user ID and password of the participant. He demonstrated how to create voice notes, highlight the text, flash cards generated for the highlighted text for quick revision. Pearson e-Library allows the books to read offline and can be accessed on multiple devices. The programme was made live on YouTube channel due to overwhelming response from the participants. Both the sessions were very interactive and were highly appreciated by the participants through their feedback.
